

WINTER NEWSLETTER

Starpoint Middle School

Dear Starpoint Middle School Community,

As we formally make the transition from Fall to Winter, we wanted to take this opportunity to connect with our parents and guardians about all the wonderful and inspiring things happening at Starpoint Middle. The first quarter was an incredibly busy time here at the Middle School as students settled into schedules, developed routines, and acclimated to the high expectations that are so integral to our programming. With a variety of enriching extra-curricular activities including our first dance, Frozen the Musical, our WEB Rollerskating Party, and multiple PBIS celebrations, our students maintained a balance of academic achievement along with social and emotional growth. It is worth noting that at the conclusion of the first quarter, approximately 81% of our students were on High Honor Roll, Honor Roll, or Merit Roll which is truly a testament to the hard work of our students and teachers, as well as the support you provide at home.

Our second and third quarters promise to be no less busy and as we work to continue to foster academic, social, and emotional growth we appreciate your dedication and support in assuring our students arrive to school on time, are well rested, and ready to learn. If at any time you have questions, concerns, or require assistance related to your student please do not hesitate to contact the Middle School administrative team. Thank you again for your ongoing dedication to the success of your child and we look forward to continuing to build on our collective commitment to the growth of our students!

Respectfully,

Corey Gray

Principal
