Dear #OneStarpoint Spectators:

We are happy to welcome spectators back to Boys and Girls Basketball games and Boys and Girls Ice Hockey games this Winter season. The health and safety of all individuals is our number one priority. When you enter any Starpoint Athletics facilities during the Winter 2021 season, we are asking you to adhere to the following guidelines:

1. Per NYS Department of Health guidance, masks or face coverings are required for all participants, coaches, workers, officials, or anyone entering a Starpoint Central School facility or ice rinks. Masks will be required to be worn at all times in the gymnasiums and ice rinks.
2. When visiting Starpoint High School and Starpoint Middle School, spectators will be screened prior to entering the buildings. Any individual who presents a temperature greater than 100.0 degrees will not be allowed entry into the buildings.
3. No more than TWO (2) spectators per athlete will be allowed to attend on-campus sporting events (boys and girls basketball). This is the maximum number of spectators that will be allowed per athlete and ask that you strictly adhere to this policy.
 - a. At this time, spectators are not permitted to attend Boys Swimming contests.
4. Once spectators are screened through the temperature scanner, they must sign-in at the front table on a gate list next to their athlete's name.
5. Spectators should arrive no more than 15 minutes prior to the start of a contest.
6. Only one side of the bleachers will be available for spectators so please make sure you maintain proper social distancing.
7. Bathrooms are available for spectators to use when attending a sporting event.
8. Since ice hockey and bowling are contested at private venues, the prevailing parameters of each venue will be followed regarding spectator policies. Please keep in mind that we do not have the authority to override the protocols of private facilities, we are guests and because of that, those standards will apply.
 - a. Most ice hockey rinks are allowing ONE (1) spectator per athlete. Spectators will be required to sign-in with a Section VI staff member on a gate list next to their athlete's name.
 - b. At this time, spectators are not allowed to attend Boys and Girls Bowling contests at Manor Lanes II.
9. All spectators must leave the facility immediately following the conclusion of their contest.
10. Concessions will not be provided at Starpoint High School and Starpoint Middle School.

We thank you for your cooperation. For more information, please contact our athletic department at (716) 210-2307.
