Dear Teachers:

The North Tonawanda Public Library is featuring a Fall Football Reading Challenge for grades K-12.

We are asking you to distribute the information regarding the challenge, as well as a listing of some of our upcoming events for fall and early winter.

Thank you, once again for helping us reach every child in our community. We feel this program will continue to bring people to the library that may only visit in the summer.

Sincerely,

Kevin Wall
Library Director
