

Dear Fricano Families,

A few notes and highlights from your Friendly Neighborhood Art Teacher!

- You can visit my school website [Art: The Headquarters of Mr. Patrick Root](https://ny02205570.schoolwires.net/Domain/189) (<https://ny02205570.schoolwires.net/Domain/189>)
- View and submit artwork for the [Art at Home Online Art Show](https://ny02205570.schoolwires.net/Domain/189) (<https://ny02205570.schoolwires.net/Domain/189>). See what your classmates have been creating since they have been at home and send me your own work to be added to the collection!
- View my daily Message to My Super Friends, which is silliness and simple art activities that can easily be done at home
- In addition, I have links to many online resources for viewing/learning/creating artwork.

Thank you for your support and cooperation. It has been great to see artwork from my friends and be able to hear from many of you, too. All of your teachers are thinking of you and hope to see you as soon as possible.

Sincerely,
