

# Fricano 21st Century Skills (Computer Lab)

Dear Parents/Guardians,

I hope this letter finds you and your family healthy, happy and safe! As we move into the second half of our continuity of learning from home, I hope that you and your child will consider checking in on their 21cst skills (computer lab) class once a week. I will post an activity in google classroom on Monday morning for the week. Along with the weekly activity - I will also post a video tutorial for said activity. Your child is also encouraged to work on previous projects and assignments that were given earlier in the school year through google classroom if they choose.

Please consider visiting my website for further choice activities to sharpen and strengthen your child's digital/STEAM skills.. I will post and update my website a few times a week with videos and fun challenges. My website is organized by grade so once you use the link below just click on your child's grade level.

Here is the link: <https://www.starpointcsd.org/Domain/1504>

I truly miss every single one of my students and think about them daily. Stay healthy, happy and safe!

Thank You,  
Mrs. Puff
