Dear Fricano Families,

I miss seeing your children's smiling faces everyday and hope you are well. I have been updating my library webpage to give you and your children access to a variety of wonderful resources. I am sure all the information can be overwhelming, so my goal is to provide your children with links to a variety of databases, learning tools, eBooks in a variety of genres, read-aloud stories and more. Of course, my main suggestion for your children is to READ, READ, READ! It affects every aspect of their learning.

To access my symbaloo on my webpage, go to lrizzo.symbaloo.com

Most of these resources are click and go with no logins required. However, a few will need a password and login to use them. These sites are located in the top row center of the symbaloo.

I have received many questions about library books. Please try to keep them in a safe place so they can be returned to school when we are back. Thank you so much! Please stay safe and well.

Sincerely,

Laura Rizzo
