About Our Program

- Idea Builders Lego Club is dedicated to nurturing your child's creative and critical thinking as we work with Legos.
- Our weekly themes contain age-appropriate exposure to STEAM (Science, Technology, Engineering, Art & Design, Mathematics) concepts. Each week, students are introduced to a different STEAM connection through a mini-lesson.
- Our program stresses learning through creative play, hands-on learning and social interaction.

We provide thousands of Legos for hours of creative fun!

Registration is easy!

- 1.) Go to www.starpointcsd.org
- 2.) Click on the "Parents/Community" tab
- 3.) Go to the left side and choose "Community Education"
