8 North Stars: Mrs. Rusinek

Math 8 Course Topics

- (1) Exponents
- (2) Scientific Notation
- (3) Equations
- (4) Lines and Linear Equations
- (5) System of Linear Equations
- (6) Functions
- (7) The Concept of Congruence
- (8) Angle Relationships
- (9) Similarity
- (10) Relationships in Bivariate Data
- (11) The Real Number System
- (12) Pythagorean Theorem

Supplies

- ★ 1 ½ (or 2) in. 3-ring binder
- ★ 5 dividers for binder - - labeled as follows: homework, spirals, notes, tests/quizzes, and practice.
- ★ Unlimited supply of pencils and loose leaf paper
- ★ Scientific Calculator (recommended: TI-34 MultiView)
- ★ Headphones/Earbuds
- ★ Optional: chromebook sleeve

Homework

Homework is given most days. Each homework assignment is worth two points.

Late homework is accepted **up to the 5 week** grading period and will be given half credit.

If you are absent from school, assignments must be handed in 2 days after your return.

To stay up to date check the team website
<http://www.starpointcsd.org/webpages/nstars/>

Testing

Tests will be given at the end of each chapter digitally. They will contain multiple choice and long answer questions.

NYS Math Assessment: May 4 - 6, 2021

Grading

Students will be awarded grades based on a total point system. Each assignment is given a point value. The final grade is determined by adding all of the points earned and dividing by the total possible points. Grades will be posted weekly to the portal in ESchool.
