8 North Stars: Mrs. Rusinek

### Common Core Algebra Course Topics

- (1) The Real Number System
- (2) Structure of Expressions
- (3) Equations and Inequalities
- (4) Systems
- (5) Functions
- (6) Linear and Exponential Sequences
- (7) Transformations of Functions
- (8) Polynomials and Factoring
- (9) Quadratic Functions
- (10) Forms of Quadratic Functions
- (11) Function Transformation and Modeling
- (12) Distributions of Statistics
- (13) Two Variable Statistics

### Supplies

- ★ 1 ½ (or 2) in. 3-ring binder
- ★ 5 dividers for binder - - labeled as follows: homework, spirals, notes, tests/quizzes, and practice.
- ★ Unlimited supply of pencils and loose leaf paper
- ★ Graphing Calculator – The TI-84 families of calculators will be modeled in class. Students will be given a graphing calculator on loan for the duration of the year.
- ★ Headphones/Earbuds
- ★ Optional: chromebook sleeve

### Homework

Homework is given most days. Each homework assignment is worth two points.

Late homework is accepted **up to the 5 week** grading period and will be given half credit.

If you are absent from school, assignments must be handed in 2 days after your return.

To stay up to date check the team website  
<http://www.starpointcsd.org/webpages/nstars/>

### Testing

Tests will be given at the end of each chapter digitally. They will contain multiple choice and long answer questions.

**Common Core Algebra Regents: June 2021**  
*Students are exempt from the NYS Math 8 Assessment*

### Grading

Students will be awarded grades based on a total point system. Each assignment is given a point value. The final grade is determined by adding all of the points earned and dividing by the total possible points. Grades will be posted weekly to the portal in ESchool.
