NEW 2017-2018 school year: Upon enrollment you will select the scheduled that best suits your family's needs for the entire year, Full Time (4-5 days per week) or Part Time (1-3 days per week). The program tuition is a monthly payment based on the price of the program per year, divided into 10 equal monthly payments. Each month you will pay 1/10th of your total child care bill, regardless of the number of school days which actually occur in that month. Half days at your child's site will be included in the program however if you choose to send your child to vacation club, you must sign up in advance for an additional fee. Monthly payments are due by the first of each month. You have the flexibility of paying that monthly fee by draft, check, or cash. As always, financial assistance is available for those who qualify by simple, confidential application process.
