

# **PBIS STAR STUDENT in FRICANO**

Dear Fricano Friends and Families,

Here at Fricano, we currently have a positive behavior program called PBIS STAR STUDENT. This program has been instituted to teach and reinforce positive behaviors in all areas of the school. The primary traits that we focus on are: be respectful, responsible, and safe. The following are some of the highlights of the program that your child will experience throughout the year:

- PBIS Bee Mascots: Rosie Respectful, Ralphie Responsible, Sammy Be Safe, and Bad Choice Benny. Posters starring characters are displayed around school reinforcing expectations for different settings around the building.
- Golden Tickets: given to students for displaying STAR STUDENT behavior, going above and beyond basic expectations of behavior. You will receive a portion of the ticket notifying you when your child receives a ticket. Each week, a ticket is randomly pulled from each class to win a “Fricano Shining Star” button
- Monthly Assemblies: Monthly themes and videos showing and reinforcing behaviors/expectations. 2 students will be chosen randomly from monthly ticket winners to win a “Fricano Shining Star” t-shirt & picture posted on “Galaxy of Stars” outside auditoria
- Community Service Projects: Student from each class selected to participate in monthly project to benefit the community (ex. Thank you cards for veterans, holiday cards for nursing homes, etc.)

These aspects of the program are in addition to lessons and efforts of each and every staff member of our school. Our goal is to foster a community of caring, positive individuals and this program is just one aspect of our building’s efforts. We just wanted to inform you of things that you may hear or see around Fricano and from your child.

If you have any questions, or would like additional information, please contact a PBIS Committee member.

Sincerely,

Fricano PBIS Committee: Adrienne Cohan, Dana Comas-Baez, Becky Lawrence, Claudette Lemieux, Carrie Mansour, Maria Mills, Pat Root
