

# Fricano Primary Pledge

We will treat others the way we want to be treated,  
*So everyone feels respected.*

We will walk quietly in the halls,  
*To show we are responsible.*

We will keep our hands and feet to ourselves,  
*So everyone can be safe.*

We will speak softly and politely,  
*So others will want to listen.*

This is what we do even when no one is watching,  
*will give our personal best every day because we are*  
Fricano Primary!
